

1. STATEMENT

To safeguard learners with continuance of qualification delivery should LD Training Services Limited be in a position either voluntary or enforced, which would prevent continued support to learner of such delivery, LD Training Services Limited will refer such learners to the funding partner who will provide continued support.

LD Training Services will also notify the Awarding Body and all other relevant parties of any changes that may affect the ability of LD Training Services Limited to meet the Awarding Body approved Centre Criteria and all relevant parties involved with the delivery/support to learners.
